

Doctor Philip Levy graduated from the University of Pittsburgh School of Medicine. He completed his internship, internal medicine residency, and fellowship in metabolism and endocrinology at Michael Reese Hospital and Medical Center in Chicago, Illinois. He was a research fellow in endocrinology at Guy's Hospital Medical Center in London, England. Doctor Levy is board certified in Internal Medicine, Metabolism and Endocrinology, and Nuclear Medicine.

Doctor Levy is a Clinical Professor of Medicine at the University of Arizona College of Medicine and is Chairman of the Section of Endocrinology and Metabolism at Good Samaritan Regional Medical Center in Phoenix, Arizona. He has been on the Board of Directors of the American Diabetes Association and is currently serving on the Board of Directors of the American Association of Clinical Endocrinologists. He is a fellow of the American Association of Clinical Endocrinologists as well as a member of the American College of Physicians, the Endocrine Society, the American Diabetes Association, and the American Thyroid Association. Doctor Levy was Vice President, then President of the American College of Endocrinology, from 2002-2004.

Doctor Levy is on the editorial board of Endocrine Practice. He has been on the editorial board of Clinical Diabetes and served as Editor-in-Chief of Diabetes Forecast for five years. He has served on numerous committees of the professional endocrine societies. In May of 2000, the American Association of Clinical Endocrinologists presented the Yank D. Coble award for distinguished service to Doctor Levy.
